

Falcon Basketball Association

The FBA is proud to promote youth basketball in the Foley community and your support is essential to the success of our association. The funds are used to support the boys' and girls' basketball programs from grades 4–12. Some of the proceeds have been used in the following areas; Hosting basketball tournaments, providing money to our travel teams to play in tournaments, purchasing jerseys for the Foley Basketball Team, awarding scholarships to multiple male and female seniors, and offering camps at a reduced cost to participants. Additionally, the FBA coordinated and help sponsor the purchase of new scoreboards in the Foley High School gyms.

We believe involvement at the younger levels is extremely important, since these levels are the building blocks for a strong basketball program. Your kind sponsorship along with our efforts, will help us achieve our goals to make a difference in basketball. We believe that you will be proud of being a valuable sponsor of the FBA.

Corporate Sponsorship:

Your business can support the FBA and youth basketball by donating. Our corporate sponsorship will put your advertising logo and link onto the new www.foleyfba.org website and our printed programs at home boys' and girls' basketball games. A space in the program will be available to every business for a \$100 donation to the Falcon Basketball Association. The deadline printed program ads is **December 1, 2017**.

Thank you for this opportunity to keep our community a great place to live, work and play.
